[Chorus:]

Even me Lord, even me Lord.

Even me Lord, even me Lord.

Let some drops fall,  
let some drops fall,  
let 'em fall fresh on me.

[Verse:]

Somebody needs a blessing Lord,  
somebody needs a word from You,  
somebody needs a healing touch,  
somebody's praying for a breakthrough.  
Let some drops fall fresh on me,  
let it fall fresh on me.

[Chorus]

[Vamp 1:]

[Sopranos:]

Shower down on me, showers of blessings.

Shower down on me, showers of blessings.

[Altos:]

Shower, shower, shower,

showers of blessings.

[Tenors:]

Down from heaven,

shower down on me,

showers of blessings.

[Vamp 2:]

Shower, shower,

shower, shower.
