Makes no difference
What you're going through
You're gonna make it
God's gonna see you through

Hold your head up
Put a smile on your face
This is another test
It won't last always

So get ready (Get ready)
For your blessin' (For your blessin')
Get ready (Get ready)
For your miracle (For your miracle)

Get ready (Get ready)
For your blessin' (For your blessin')
Get ready (Get ready)
For your miracle (For your miracle)

Listen, I know you been hurting
Deep down inside
Let me encourage you
That it's gonna be alright

Troubles and trials
come to make you strong
Keep on believing
You keep holding on

Get ready (Get ready)
For your blessin' (For your blessin')
Get ready (Get ready)
For your miracle (For your miracle)

Get ready (Get ready)
For your blessin' (For your blessin')
Get ready (Get ready)
For your miracle (For your miracle)
