[Verse 1:]

Not because I've been so faithful,
not because I've been so good;
You've always been there for me
to provide my every need.

You were there when I was lonely,
You were there in all my pain,
guiding my footsteps,
shelter from the rain.

And it was You who made my life complete,
You are to me my everything
and that is why I sing.

[Chorus:]

Jesus I love You because You care,
I couldn't imagine if you weren't there.

[Verse 2:]

You are the joy of my salvation,
You're the peace in my storm.
Your loving arms protect me,
You shelter me from harm.

You are Alpha and Omega,
the beginning and the end,
my strong tower, my dearest and best friend.

And it was You who made my life complete,
You are to me my everything
and that is why I sing.

[Chorus:]

[Vamp:]

Jesus, I love You,
I love You.

Jesus, I love You,
I love You.

Jesus, I love You,
I love You because You care.

[Ending:]
I love You,
I love You,
(because You are You).
