We need your honour  
We need your faith  
We need your truggle  
Your Country needs You!

(It's all right, It's all right  
It's show time!)

Peace is over  
Tonight is the night  
It's the freakiest show  
Start the fight!

(It's all right, It's all right  
It's show time!)

Time to start the game  
With the pushing of the button  
We rape Miss Peace again  
Don't you know that I wanna  
Come on come on come on come on  
Push it hard  
Come on come on come on  
Push the red button

Push the button, drop the bomb  
Start the war, kill 'em all  
Don't give peace a chance  
It's an ancient romance  
(It's all right, It's all right  
It's show time!)

I don't wanna give peace a chance  
It's a boring and ancient romance

(It's all right, It's all right  
It's show time!)

Time to start the game  
With the pushing of the button  
We rape Miss Peace again  
Don't you know that I wanna

Come on come on come on come on  
Push it hard  
Come on come on come on  
Push the red button

Push the button, drop the bomb  
Start the war, kill 'em all  
Don't give peace a chance  
It's an ancient romance

Kami-kami-kamikaze  
Come into my arms and love me  
Before you fly away  
Before you fulfil your duty
