Oddballaz- Misbehave

If wantin you's a crime, (crime)
Lock me up, up, up cuz im guilty (guilty)
I wanted mrs right
But Im stuck on misbehave (miss behave)

Cuz Shawty is the key (key)
Lock yourself up, up, up
Cuz your guilty (guilty)
And your a criminal like me(me)
Cuz you want me to say
I cant wait to get to misbehave

Mike:

Yah, Yah, Ayy, Damn shawty you'z a beast
A trick for a treat that's good for me to eat
And I could never mistreat
Cuz Shawty got a love that couldnt ever repeat (repeat)
And yes I repeat
Cuz Shawty got a love that couldn't ever deplete
Cuz she could make it work, like a J O B, yup
Part-time love, bout to take it into O.T.
(Haha) 68 and you owe me
Alto, you keep it on the low key
Although, you really don't know me
We got something more original then an OG
You keep my heart racing bout a 4:3
when it give it to you raw like its supposed to be
Miss behave, the one that I will miss for days
Her sinful ways, got me in a bliss for days

If wantin you's a crime, (crime)
Lock me up, up, up cuz im guilty (guilty)
I wanted mrs right
But Im stuck on misbehave (miss behave)

Cuz Shawty is the key (key)
Lock yourself up, up, up
Cuz your guilty (guilty)
And your a criminal like me(me)

Cuz you want me to say
I cant wait to get to misbehave

Baby Baby, Baby Baby
Got me incarcerated
Baby Baby, Baby Bay
We can do some time
Baby Baby, Baby Baby

Her name in Misbehave
Baby Baby, Baby Baby
I can use your time

Angelo:

I know, she's misbehavin
Neva will be mislead or mistaken
Baby, I know your taken
Little Debbie it's okay let's keep on cakin'
Keep the bones in the box, like Operation
Skeletons in our closet spaces
Sex in all kinds of places
Let's keep it confidential like Doc and patient
Cant bring you home like bad grades cuz damn
Your a supa freak like Rick James and 'em
Im on point like a safety pin
In bed I'll have you like Jenna Jameson
Oooooooooooooooooooooooooohh wait a min
You know we go good, OJ and GIN
Let's do bad things like Jace again
And shiiiiit, imma catch a case again

If wantin you's a crime,
You can lock me up, lock me up
Cuz Im guilty
Lock me up, Lock me up
Lock yourself inside with me
Lock me up, Lock me up
Cuz your guilty
Lock me up
Why don't you lock yourself inside with me girl

Baby Baby, Baby Baby
Got me incarcerated
Baby Baby, Baby Bay
We can do some time
Baby Baby, Baby Baby
Her name in Misbehave
Baby Baby, Baby Baby
I can use your time

If wantin you's a crime, (crime)
Lock me up, up, up cuz im guilty (guilty)
I wanted mrs right
But Im stuck on misbehave (miss behave)

Cuz Shawty is the key (key)
Lock yourself up, up, up
Cuz your guilty (guilty)
And your a criminal like me(me)
Cuz you want me to say
I cant wait to get to misbehave
