Look around and it wasn't there
Started wondering when or where?
Could it be, I took it for me
Got an id? Cause I like what I see
Whoever you are, you won't get too far,
I'm on a steak out, I'ma shake you down
I think I see who did it, I think I found...
I'm pretty sure I ran that, I'm looking at the suspect

Hold it right there, stop it right there
Stop it there,... you took my heart and I don't want it
babe
Just wanna let you know that it's not fair
You got it, you got it, you got it
You got it, you got it, you got it

I know it's you who took my heart
Girl it's okay just treat it right
I know it's you who got my heart
You stole it, you stole it
Hold it right there, stop it right there

You're so good at what you do, what you do
You took... now I'm taking you, taking you
So where I wanna get to know you better
Bonnie And Clyde we could ride together
... I don't wanna let you off the hook no
You're coming with me tell your friends at the table
We're working... pretty young thief, and I'ma show you
why you really... me

Hold it right there, stop it right there
Stolen,... you took my heart and I don't want it babe
Just wanna let you know that it's not fair
You got it, you got it, you got it
You got it, you got it, you got it

I know it's you who took my heart
Girl it's okay just treat it right
I know it's you who got my heart
You stole it, you stole it
Hold it right there, stop it right there

Could you... go messing I got you confessing
... want me away... places
I'm going crazy you don't have to cover there cause my
baby
... move on to a lady, can't let them burn my baby

Stolen, you took my heart and I don't want it babe
Just wanna let you know that it's not fair
You got it, you got it, you got it
You got it, you got it, you got it

I know it's you who took my heart
Girl it's okay just treat it right
I know it's you who got my heart
You stole it, you stole it
Hold it right there, stop it right there
