No I can't take one more step towards you
Cause all that's waiting is regret
And don't you know I'm not your ghost anymore
You lost the love I love the most
I leared to live half a life
And now you want me one more time
And who do you think you are running round leaving
scars
Collecting your jar of hearts
And tearing love apart
Your gonna catch a cold
From the ice inside your soul
So don't come back for me
Who do you think you are
I hear your asking all around if I am everywhere to be
found
But I have grown to strong
To ever fall back in your arms
I learned to live half a life
And now you want me one more time
And who do you think you are running round leaving
scares
Collecting your jar of hearts and tearing love apart
Your gonna catch a cold from the ice
Inside your soul
So don't come back for me
Who do you think you are
It took so long just to feel alright
Remember how to put back the light in my eyes
I wwish I had missed the first time that we kissed
Cause you broke all your promises
And now your back you wont get to get me back
And who do you think you are running round leaving
scares
And tearing love apart your gonna catch a cold
From the ice insid your soul so don't come back for me
don't come back at all
