verse 1
They Taught Me How to ball
Now Im Gon Show Y'all
Im Going in
Go Going In
Hell No I Don't Stall

Cause When i get that number
Hell Yeah im goon call
i had her at this party
ass all on the wall

these -----is real timid
girls know im bout bigness
when the look me in the eye
they wanna have my children

you can't rape the willing
she sat
in my car
she said it got no ceiling

we chillin in my room
im feelin her balloon
and this the song you sing
when you do what grown ups do

chorus

verse 2
im tearing up this spot
i had the neighbors watch
this party's shutting down
like you see the cops

you could call me dirk
the way im taking shots
dj bring it back
take it from the top

you could call me master
i got the game on lock
every hoods favorite
hits non stop

like im kiss
hell yeah im gon rock
i don't dunk a little
----- you know i dunk a lot

chorus
