Someday I'll let you in
Treat you right
Drive you out of your mind
Oooohh

You never met a chick like me
Burn so bright
I'm gonna make you blind

Always wanting what you can't have
Acting so bad
If you don't get what you wanted

Make you feel good
As i'm with you
Wanna shape you boy
Lets Get It started

Give it up
You can't win
Cuz I know
Where you've been
Such a shame
You don't put up a fight
Thats the game
That we play
At the end of the night
It's the same old story
But you never get it right
Give it up

So stop trying to walk away
No you wont ever leave me behind
Noooo!
You better believe that I'm here to stay
Cuz' you're the shade and I'm the sunshine
Oooooohhhh!

Look at me boy cuz' i got you
Where i want you
Isn't it so exciting
Wanna shake you

Wanna break you
Take a backsteat boy
Cuz now I'm driving
Give it up
You can't win
Cuz I know
Where you've been
Such a shame
You don't put up a fight
Thats the game
That we play
At the end of the night
It's the same old story
But you never get it right
Give it up!
yeah-y yeah-y yeah-y yeah-y ooohhhooooohhooo

Come a little closer
come a little closer baby baby

Come a little closer
come a little closer baby
Cuz' you are my baby and I'll make you crazy tonight!

Look at me boy cuz' i got you
Where i want you
Isn't it so exciting
Wanna shake you
Wanna break you
Take a backsteat boy
Cuz now I'm driving

Give it up
You can't win
Cuz I know
Where you've been
Such a shame
You don't put up a fight
Thats the game
That we play
At the end of the night
It's the same old story
But you never get it right
Give it uuhhhuhwoahohooooaaao yeah!
