Get your sky-high hands up  
It's the Winx girls — what's up?  
Wild, winged, and wonderful  
You turn our sparkle on — your power makes us  
strong  
You keep us up where we belong

#### CHORUS

Today  
We gonna celebrate  
And shout, "Hey hey!"  
Because you believed it  
We are the magic...  
We are Believix!  
We are Believix!

We're the sound of wonder  
Hear our rainbow thunder  
Feeling fairy powerful  
We'll turn your smile up loud — we're flying high and  
proud  
Like we're a sunshine through the clouds

(Repeat Chorus)

We're fast on the magic track  
Making shimmy shimmy snap  
Yeah, we got it back  
And we never give in  
Hands up!  
And away we go  
This isn't trick stuff and illusion, no!  
'Cause you believed us  
You believed us

(Repeat Chorus)

We are Believix! (3X)
