It's been a long time since I came around  
Been a long time but I'm back in town  
This time I'm not leaving without you  
You taste like whiskey when you kiss me, oh  
I'd give anything again to be your baby doll  
This time I'm not leaving without you

You said sit back down where you belong  
In the corner of my bar with your high heels on  
Sit back down on the couch where we  
Made love the first time and you said to me this

Something, something about this place  
Something 'bout lonely nights and my lipstick on your  
face  
Something, something about my cool Nebraska guy  
Yeah something about, baby, you and I

It's been two years since I let you go,  
I couldn't listen to a joke or rock 'n roll  
Muscle cars drove a truck right through my heart  
On my birthday you sang me a heart of gold  
With a guitar humming and no clothes  
This time I'm not leaving without you  
Ooh-oh ooh-oh

Sit back down where you belong  
In the corner of my bar with your high heels on  
Sit back down on the couch where we  
Made love the first time and you said to me this

Something, something about this place  
Something 'bout lonely nights and my lipstick on your  
face  
Something, something about my cool Nebraska guy  
Yeah something about, baby, you and I

You and I  
You, you and I  
You, you and I  
You, you and I, I

You and I  
You, you and I  
Oh yeah!  
I'd rather die  
Without you and I

C'mon!  
Put your drinks up!

We got a whole lot of money, but we still pay rent  
'Cause you can't buy a house in Heaven  
There's only three men that I'm a serve my whole life  
It's my daddy and Nebraska and Jesus Christ

Something, something about the chase  
Six whole years  
I'm a New York woman, born to run you down  
So have my lipstick all over your face  
Something, something about just knowing when it's  
right  
So put your drinks up for Nebraska  
For Nebraska, Nebraska, I love you

You and I  
You, you and I  
Baby, I rather die!  
Without you and I

You and I  
You, you and I  
Nebraska, I rather die  
Without you and I

It's been a long time since I came around  
Been a long time but I'm back in town  
This time I'm not leaving without you.
