You think you know me
But you don't know me
You think you own me
But you can't control me
You look at me and there's just one thing that you see
So listen to me
Listen to me

You push me back
I push you back
Harder, harder
You scream at me
I scream at you
Louder, L-L-L-L-Louder
I'm dangerous so I'm warning you
Cause you're not afraid of me
And I can't convince you
You don't know me

You think you got me
But you don't get me
You think you want me
But you don't know what you're getting into
There's so much more to me than what you think you
see
So listen to me
Just listen to me

You push me back
I push you back
Harder, harder
You scream at me
I scream at you
Louder, L-L-L-L-Louder
I'm dangerous so I'm warning you
But you're not afraid of me
And I can't convince you
You don't know me

And the longer that you stay, the ice is melting
And the pain feels okay, it feels okay (heyy)

You push me back
I push you back
You scream at me
I scream at you
Louder x9

You push me back
I push you back
Harder, harder
You scream at me
I scream at you
Louder, L-L-L-L-Louder
I'm dangerous so I'm warning you
But you're not afraid of me
And I can't convince you
I don't have to
I think you know me
