I know what I should be doing now
Turning this car around.
I shouldn't be drivin' here, 12 am
Asking her to let me in. No.

I should just cut off my phone
She's been blowing it up 'cause now she's all alone
Waiting on me to come
Saying boy you'd better run...
Oh no no but here I go

Hey Mary go round
Guess I'll drop down my guard and then
Hey Mary go round
Round and round my heart again

Useless talking with her lovey eyes
If she's really in love she can never decide
But she likes the benefits every now and then (ya she
does).
All my friends tell me to run along
But with a kiss like hers it's hard to be strong
Every touch is too much
I can't get enough oh but here I go

Hey Mary go round
Guess I'll drop down my guard and then
Hey Mary go round
Round and round my heart again

Well I feel just like a young boy
She spins me like her little toy
But I keep on going back for more and more and more

Hey Mary go round
Guess I'll drop down my guard and then
Hey Mary go round
Round and round and round and round
Hey Mary go round
Guess I'll drop down my guard and then
Hey Mary go round

Round and round my heart again

Yaaa

My Mary go round

Mary go round again
