Here I am on the run again  
Hopeful I can still win  
I press on and my wheels hum  
Taking me home again  
Taking me home again

I have run here in triumph  
I've run here in retreat  
Took my first steps here thankfully  
And those days seemed so sweet  
Those days seemed so sweet

Chorus:  
But it's all different in so many ways  
Changes hid in plain sight  
Busted windows, a dusty wind blows  
Topaz City tonight, Topaz City tonight

As a child I was childlike  
In my teens naive  
Now as manhood settles in  
I still want to believe  
I still want to believe

Chorus:  
But it's all different in so many ways  
Changes hid in plain sight  
Stranger's faces in my old places  
Topaz City tonight, Topaz City tonight

Chorus 2:  
A weathered awning, an old dog yawning  
Topaz City tonight  
A run down beer joint, stop sign with no point  
Topaz City tonight, Topaz City tonight

As a moon sheds it's shadow  
As a snake sheds it's skin  
Everything keeps right on changing  
Got to learn that again  
Got to learn that again

Chorus:

But it's all different in so many ways  
Changes hid in plain sight  
Mom's home-place gone, that just seems wrong  
Topaz City tonight

Dad's chair empty, that still hits me  
Topaz City tonight, Topaz City tonight
