You're just his temporary love
I really hate to break it to you
But it's the truth I'm saying to you
You're just his temporary love
I know you don't wanna hear the bad news
But it's the truth, so I'm saying to you
I'm your getaway driver
(Oh!)
Your getaway driver
(Oh!)
Your getaway driver
(Oh!)
Let me take you away from his temporary love
I'm your getaway driver
(Oh!)
Your getaway driver
(Oh!)
Let me take you away from his temporary love

One Call
Darkchild!

Every time I turn the corner, I see you falling again,
again
Oh, love the way he makes you feel
But it's only pretend, pretend
No, thinking that he was really the right one
Was your first mistake
Need to get out before you get hurt
Baby, listen to me
Gotta be out of his mind, thinking your heart is
something to break

You're just his temporary love
I really hate to break it to you
But it's the truth, so I'm saying to you
You're just his temporary love
I know you don't wanna hear the bad news
But it's the truth, so I'm saying to you
I'm your getaway driver
(Oh!)
Your getaway driver

(Oh!)
Your getaway driver
(Oh!)
Let me take you away from his temporary love
I'm your getaway driver
(Oh!)
Your getaway driver
(Oh!)
Let me take you away from his temporary love

Oh, yeah

He's the sickest type of dude; seen a million times,
times, whoa
Won't you please watch your step?
He's surrounded by mines, mines
Oh, everyone knows the truth about him
Why you blinded right now?
Open your eyes it's a disguise
Baby, listen to me
Turn an run out the door
Do it before you miss your turn to find out

That you're just his temporary love
I really hate to break it to you
But it's the truth, so I'm saying to you
You're just his temporary love
I know you don't wanna hear the bad news
But it's the truth so I'm saying to you
I'm your getaway driver,
Your getaway driver,
Your getaway driver
Let me take you away from his temporary love
I'm your getaway driver,
Your getaway driver
Let me take you away from his temporary love
Ain't it so criminal to take advantage of
A beautiful woman like yourself, Ooh yeah
He's only looking at your body
As another trophy for his shelf, Ay

You're just his temporary love
I really hate to break it to you
But it's the truth, so I'm saying to you
You're just his temporary love
I know you don't wanna hear the bad news
But it's the truth, so I'm saying to you
I'm your getaway driver,
Your getaway driver,
Your getaway driver
Let me take you away from his temporary love

I'm your getaway driver,
Your getaway driver
Let me take you away from his temporary love

You're just his temporary love
You're just his temporary love!
