Turn it up, it's your song!
Turn it up, it's your song!
Turn it up right now!
Won't you just -
Turn it up, it's your song!
Turn it up, it's your song!
Turn it up, because -

This one's for the radio! (So DJ turn it up)
Cause I need to let the world know how I feel!
This one needs a video! (Go ahead and look it up)
Cause they won't believe me when I say you're real.
There's nobody like you,
You're limited edition like my sneakers,
Need to turn this up in your speakers,
Because this one's for the radio. (So DJ turn it up)
Cause I need to let the world know how I feel!

I've never met anybody like you before, yeah.
Incredible right from the minute that you walked
through the door.
Carry yourself like a princess, Walk like a supermodel,
Can I get a witness?
Loving your Coca-Cola bottle - Shaped body,
How you got me, you know it.
And I just wanna show it.
So baby won't you -

Turn it up, it's your song!
Turn it up, it's your song!
Turn it up right now!
Won't you just -
Turn it up, it's your song!
Turn it up, it's your song!
Turn it up, because -

This one's for the radio! (So DJ turn it up)

Cause I need to let the world know how I feel!

It's amazing how you steppin' like you own the room,
yeah.
And it only took me a second to notice you, yeah.
Attitude like a rockstar.
Loving the way you light up the night like a copcar.
Wanna be where you are.
Such a keeper,
No more secrets, you know it.
And I just wanna show it.
So baby won't you -

Turn it up, it's your song!
Turn it up, it's your song!
Turn it up right now!
Won't you just -
Turn it up, it's your song!

This that radio flow, Let the beat go.
What you can't miss like my free throw.
She so bad like Mike would say, Hot like a microwave,
Shawty it's going down like the pilot say.
But no plane crash,
I'm just tryin to make you laugh.
With me in line like Vegas caps.
Baby dat's some real ish,
And I'm the realness One Call, turn it up.

This one's for the radio! (So DJ turn it up)
