All my problems, they will run away from you and I see  
All the angels sit and stare at you  
You are everything but not today

I'm so down and out  
'Cause something is wrong without you  
When you're not around  
Just shadows and rain fall  
Wait 'til tomorrow  
I'll wait

Just wanna be with you  
Only you  
Always you  
You're so beautiful to me  
It's true  
Amazed by you  
I think I'm falling

All my worries, they just sleep in late lying next to you  
But I fall to pieces and crumble away  
Today nothing works

I'm so down and out  
'Cause something is wrong without you  
When you're not around  
Just shadows and rain fall  
Wait 'til tomorrow  
Can't wait

Just wanna be with you  
Only you  
Always you  
You're so beautiful to me  
It's true  
Amazed by you

I think I'm falling  
Falling with you  
Only you  
Always you  
You're so beautiful to me  
It's true  
Amazed by you  
I know I'm falling
