You take me back and show you're the only one
Reveal the way you got me, I've got to run
You're still alive

I'm never gonna take your feeling, which is complicated

Out there...

I'm breaking down

I keep on trying to reach you with my broken legs
How many times have you seen me when I fall?
But now I know you're not the only thing like before

Not the one I need to share
