Everybody screaming!  
 Everybody moving!  
 Let's get it started  
 Gotta make a riot now!

If you feel so empty and feel so tired  
 When I'm sick of fake smile and fake words  
 We're all wired

Everybody screaming!  
 Everybody moving!  
 I'm going crazy!  
 So what are you gonna do now?  
 I'm not only one  
 Just like you, yeah  
 We are all the same  
 I can make it now

When I'm sick of being the one who always tells everything  
 Nothing can keep us from doing this!  
 Gotta make a riot now

 So what are you gonna do now?  
 I'm not only one  
 Just like you, yeah  
 We are all the same  
 I can make it now

Scream it now!

Everybody screaming!

Everybody moving!

I'm going crazy!

This is all we got now!

I'm not only one

Just like you, yeah

You and I are one

Make a riot now!

Everybody screaming

Everybody moving
