Life is full of up and down  
I keep on searching for permanent security and satisfaction  
We sometimes get great achievement and encounter disappointment

You kiss my ass!

Let's shake it down!  
Get it up!

What I am doing is what you're thinking now!

It makes me feel alive and makes me so rash  
Another day, the sky is so dark  
I'm here crying alone looking down all the time
