So your bags are all packed and you're leaving  
Without so much as telling me why  
Pardon me if I skip all the grieving  
I'll simply get on with my life  
Cause I know there'll come a day  
It'll come back on you and you'll pay

But won't be me you'll answer to  
When the judgement arrives  
And your penance is due  
Forgiveness may come  
For the things that you've done  
For your dishonesty  
But it won't be me

Well, it goes against my christian raising  
To be feeling the way that I am  
I should get on my knees  
And start praying for your absolution  
But I've tried and I can't  
After what you did to me and to us  
You've betrayed all my love and my trust

It won't be me you'll answer to  
When the judgement arrives  
And your penance is due  
Forgiveness may come  
For the things that you've done  
For your dishonesty  
But it won't be me

Now this isn't a threat or a curse  
Just remember you heard it here first

It won't be me you'll answer to  
When the judgement arrives  
And your penance is due  
Forgiveness may come  
For the things that you've done  
For your dishonesty  
But it won't be me

No, it won't be me
