Wishin' hard won't bring you near
Standin' straight can't calm the fears
Smilin' just won't stop the tears from fallin'
No one has to take the blame
Didn't plan this heartbreak game
I'm waitin' all alone, your name I'm callin'
Your name I'm callin'

Here I stand beside the road, waitin' for that wind to
blow
When it does maybe then I'll know which way I'm goin'
Which way I'm goin'

Sugar just can't hide the taste of bitneress
That you get from wastin' a heart that's full of love but
just can't show it
Tell me know tell me I'm wrong, I'm not dreamin' all
night long about you
But I could live without you

Friends they tell me now oh don't look back
Afraid that I might jump a track
They don't need to tell me cause I know it
Yes I know it

Here I stand beside the road, watin' for that wind to
blow
When it does maybe then I'll know which way I'm goin'
Which way I'm goin'

Wishin' hard won't bring you near
Standin' straight can't calm the fears
Smilin' just won't stop the tears from fallin'
The tears from fallin'
