I just found out that I'm fucking with a bad dog  
But the beast in me she know how to train a bad dog  
Woof like a bad dog, sit and be a good dog  
Or I'ma put you down bang bang like a mad dog  
Oh oh oh oh oh , I'm breathin' on your skin  
Oh oh oh oh oh, you feel me closin' in  
Oh oh oh oh oh

You're just an animal that I caught  
You know I'm yours so rip my clothes off  
And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog  
You're just an animal that I caught  
You know I'm yours so rip my clothes off  
And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog

Keep you on a leash tie you up like a bag dog  
Taste me on your teeth when you bite like a bad dog  
Woof like a bad dog beg be a good dog  
Or I'ma put you down bang bang like a mad dog  
Oh oh oh oh oh , I'm breathin' on your skin  
Oh oh oh oh oh, you feel me closin' in  
Oh oh oh oh oh

You're just an animal that I caught  
You know I'm yours so rip my clothes off  
And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog  
You're just an animal that I caught  
You know I'm yours so rip my clothes off  
And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog

Revenge is sweet like licorice  
I poison you with just a kiss, a kiss, a kiss  
You're just an animal that I caught  
Your hands are tied I got my wish  
Now say your prayer cause this is it, is it, is it

You're just an animal that I caught  
You know I'm yours so rip my clothes off

And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog  
You're just an animal that I caught  
You know I'm yours so rip my clothes off  
And it's like oh oh and then we oh oh  
Just come inside my cage you bad dog.
