[Verse 1]

Raindrops on her cheek,  
But the sky is dry.  
School uniform is torn,  
But she won't say why.  
Now Alice are you okay?  
Are you sure that you're fine?  
Is there somethin' tryna hide?

[Chorus]

Girls and boys alike  
Time to end this fight  
Before it's too late  
Now you just gotta know  
I'm here for you  
And I will fight until I'm  
Black and blue  
Cause sticks and stones,  
May break my bones  
But it's all worth if  
I've got you  
Because I'm here for you  
For you, for you  
Because I'm here for you  
For you, y-y-you  
Because I'm here for you

[Verse 2]

Daydreamin' out the window  
Prayin' for help  
Too young to talk but he knows  
A leather belt  
No Sonny, it's not okay  
Cause, I heard his cry  
And his daddy still denies

[Chorus]

[Bridge]

Cause I am just like you  
But I got away  
These bruises make me

Who I am today  
And no, I'm not okay  
I'm just great  
Pemass by my side  
Thank you Mr. Wade

And you just gotta know  
I'm here for you(you 4x)  
And I will fight until  
I'm black and blue(blue 4x)  
Cause sticks and stones  
May break my bones  
But it's all worth while  
If I've got you...
