If I could write you a song  
to make you fall in love  
I would already have you up  
under my arm

I used up all of my tricks  
I hope that you like this but  
you probably won't  
you think you're cooler than me

You got designer shades just  
to hide your face and  
you wear 'em around like  
you're cooler than me

And you never say hey or  
remember my name and  
it's probably because  
you think you're cooler than me

You got your high brow,  
Shoes on your feet and  
you wear 'em around like  
it ain't shit

But you don't know  
the way that you look, when  
your steps make that much noise (sh)

See, I've got you  
all figured out  
You meet everyone's eyes just  
to feel seen

Behind your makeup,  
nobody knows who  
you ever are  
who do you think that you are?

If I could write you a song  
to make you fall in love

I would already have you up  
under my arm

I used up all of my tricks  
I hope that you like this, but  
you probably won't,  
you think you're cooler than me

You got designer shades just  
to hide your face and  
you wear 'em around like  
you're cooler than me

And you never say hey or  
remember my name and  
it's probably because  
you think you're cooler than me

You got your high brow,  
switching your walk  
and you don't even look  
when you pass by

But you don't know  
the way that you look when  
your steps make that much noise (sh)

See, I've got you  
all figured out  
You meet everyone's eyes  
just to feel seen

Behind your makeup,  
nobody knows who  
you even are  
who do you think that you are?

If I could write you a song  
to make you fall in love  
I would already have you up
