Ay yo, the flyest motherfucker in the room
Yeah, you know it's me
Bitches hating on me, cause they know I started locally
Hopefully, I'll be at the top soon
For now I'm at the house, on my couch, watching
cartoons
You know how much you love it when you get it in
abundance
Give a fuck about a budget when you always be the
subject of discussion
But it's nothing when you stop and just say fuck it
walking out in public and you hear 'em talkin' rubbish
ride, ride through the city in a Cutlass
big butt bitch, betcha never touch this
the way it goes when you party just like I do
Labels on my dick they used to brush me off. That's
cool.
Take over the world when I'm on my Donald Trump shit
Look at all this money, ain't that some shit?
Take over the world when I'm on my Donald Trump shit
Look at all this money, ain't that some shit?

take over the World while these haters gettin' mad
That's why all the bitches sad, see this crazy life I have
and they in awe
We go in, you can take the lose or draw
What I'm in, got these boys that used to play me from
afar
We gon' take over the World while these haters
gettin' mad
Take over the World, watch these haters gettin'
mad
That's why all the bitches sad, see this crazy life I have
Hop into the van then we take 'em to the pad
It's a wrap
