(Better-etter-etter-etter-etter-eh)x3

(Verse 1)

I-I feel like I'm losing my mind- mind
She crept into your life-life
And cut me up like a knife-knife
(Hey)
Feel things I wanna say-say
Still got my dignity-ty
No one will love you like me-me

(Chorus)

Well shes prettier than I'll ever be
Got yourself a beauty queen
(Yeah)
There something I gotta say
She can f**k you good
But I can f**k you better
Better-etter-etter-etter-etter-eh(x2)
I can f**k you better
Better-etter-etter-etter-etter-eh x2
She can f**k you good
But I can f**k you

(Verse 2)

My way remember screaming my name-ame
Cuz I could sex your brain-brain
But she don't do it that way-way

(Chorus)

Well shes prettier than I'll ever be
Got yourself a beauty queen
(Yeah)
But there something I gotta say
She can f**k you good
But I can f**k you better
Better-etter-etter-etter-etter-eh(x2)
I can f**k you better
Better-etter-etter-etter-etter-eh x2

(Verse 3)

I know shes perfect and worth it

I know shes beautiful
But can she love you
And touch you until you go-oh-oh
You keep on trying to hide it
But we both know-oh-oh
She can f**k you good
(Ha ha ha ha)
(Better, better, better, better, be-be-be-be-be)

She can f**k you good
But I can f**k you better
Better-etter-etter-etter-etter-eh(x2)
I can f**k you better
Better-etter-etter-etter-etter-eh x2
She can f**k you good
But I can f**k you better

But I can f**k you better
I know shes perfect and worth it
I know shes beautiful
But can she love you
And touch you until you go-oh-oh
You keep on trying to hide it
But we both know-oh-oh
She can f**k you good
But I can f**k you better-better-better-better-better-
better
But I can f**k you better
She can f**k you good
But I can f**k you better

(I can f**k you better baby)
