I - I feel like I'm losing my mind -- mind
She crept into your life --life
And cut me up like a knife -- knife, yeah
Hey -- Hey few things that I wanna say -- say
Still got my dignity
No one'll love you like me -- me, yeah

But she's prettier than I'll ever be
Got yourself a beauty queen, yeah
But there's one thing I gotta say

She can fuck you good, but I can fuck you betta
Etta etta etta etta etta eh
Betta etta etta etta etta etta
I can fuck you betta etta etta etta etta etta eh
She can fuck you good, but I can fuck you --

My way, remember screaming my name
Cause I could sex your brain
But she don't do it that way, no

But she's prettier than I'll ever be
Got yourself a beauty queen yeah
But there's one thing I gotta say

She can fuck you good, but I can fuck you betta
Etta etta etta etta etta eh
Betta etta etta etta etta etta
I can fuck you betta etta etta etta etta etta eh
She can fuck you good, but I can fuck you --

I know she's perfect and worth it oh yea she's beautiful
But can she love you and touch until you go - oh
You keep on trying to hide it but we both know - oh

She can fuck you good, but I can fuck you betta

She can fuck you good, but I can fuck you betta
Etta etta etta etta etta eh
Betta etta etta etta etta etta
I can fuck you betta etta etta etta etta etta eh
She can fuck you good, but I can fuck you betta

I know she's perfect and worth it oh yea she's beautiful
But can she love you and touch until you go - oh
You keep on trying to hide it but we both know - oh

She can fuck you good, but I can fuck you betta
Betta betta betta betta betta betta
I can fuck you betta
Betta betta betta betta
She can fuck you good but I can fuck you betta
