I told the judge
I'm innocent
Please set me free
From the jailhouse

I told the judge
I'm innocent
Please set me free
From the jailhouse

Locked up and they lost the key
I'm mad as fuck 'cause
By now I'll be on album three
I keep begging but no
They won't let me go

I thought it was a dream, was a fairytale
I thought it was a castle, but it's just a jail
My shark bitten soul
Is trying to find a way home

And I'm fucked up
Still fighting
No truckstop
Keep driving

You gotta drive through them
I drive drive through them
Yeah drive through them
I drive drive through them, yeah

I told the judge
I'm innocent
Please set me free
From the jailhouse

I told the judge
I'm innocent
Please set me free
From the jailhouse

Sick of sleeping on a shelf

I gave you gold but
I ain't giving you nothing else
So keep on moving slow
I do it on my own

Like a preacher
In silence
I'm a killer
No violence

I just voodoo them
I voodoo them
Yeah voodoo them
I voodoo them, yeah

I told the judge
I'm innocent
Please set me free
From the jailhouse

I told the judge
I'm innocent
Please set me free
From the jailhouse

Like a preacher
In silence
I'm a killer
No violence
3x
