Cause i am feeling like a Ouija Board  
Move my body back and forth  
I know she can get this low low  
Kitty Kitty on the floor, better put away your clothes,  
know you see the way i kill  
low, low, low  
and the ... goes  
and the ... goes  
and the ... goes  
and the ... goes

Running like a Gebsy girl

I run the silly world

Is a lesson you should learn  
I am the bitch you are taking this low low  
See me take over the world

If you didn't now you know know know  
and the ... goes  
and the ... goes
