When we were kids
We walked a thousand miles to school
When we were kids we didn't wear tattoos
When we were kids we smoked pot
And wore black clothes
When we were kids
We listened to the Clash

Chorus:
Kids don't know
No they don't know
What it was like
Like when we were young
Kids don't know
No they don't know
What it was like
Like when we were young

All my friends
They're going back to school again
Oh look it's me
Still barking up the wrong tree
Here comes my girlfriend
She wants to be a scientist
Watch out for James
He has to tow a straight line

Chorus:
Kids don't know
No they don't know
What it was like
Like when we were young
Kids don't know
No they don't know
What it was like
Like when we were young

(Guitar)

The kids don't know
The kids don't know

You kids...
