"Close To Everything"

I'm on a little boat, floating past the bay,
My heart is jumpin' off a cliff to state the may,
I've got my tongue around the words I have to say;

I'm a fisherman cast out to sea,
A pelican is swimming next to me,
And I've decided this is how I wanna be.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Tick, tock, I gave my watch away,
What is time but an ocean or a day?
Float a while till my friends come out and play.

Spread my arms like a starfish on the sand,
With the orange sun setting over land,
Won't you come and hold my hand?

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.

Close to everything that I love,
I'm growing,
Making my way into the sun,
Becoming.
