Pickin' up the sleeze in my car  
Hell no distance too far  
????????? down the road in the night  
Don't just call me, I'll bite [don't just scold me, I'll bite]  
These are the finer things in life  
Don't think you live in paradise  
I get my filly ??????????  
???????

If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Suckin up the juice in the bar  
Downin' lonely shooters so far  
Checkin out the girls, what a sight  
If you're gonna blow me, do it right  
These are the finer things in life  
Don't think you live in paradise  
I get my fillie ??????????  
?????????????

If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
Yeah  
Come and get it

(come and get it)  
(yeah)  
Said if you want it  
Come and get it  
If you want it  
Come and get it  
Yeah  
Come and get it  
If you want it  
Come and get it  
Come and get it  
If you want it  
Come and get it  
Come and get it  
I said if you want it  
Come and get it  
If you want it  
Come and get it  
If you want it  
If you want it  
If you want it  
Come and get it  
Come and get it right here
