Come and run from the heat  
In the middle of a sunlit street  
Seeing thoughts in repeat  
But I'd rather get something to eat  
Feeling senseless and a deadbeat  
And I wonder if through chance we will meet

Deadbeat summer  
It's just a deadbeat summer  
Deadbeat summer  
It's just a deadbeat summer

Deadbeat summer  
It's just a deadbeat summer  
Deadbeat summer  
It's just a deadbeat summer

You're the one that I'll miss  
From my summer when I'd stolen a kiss  
Hear the endless hiss  
As he rolls into the starlit abyss  
All my dreams reminisce  
Never thought this time would be like this

Deadbeat summer  
It's just a deadbeat summer  
Deadbeat summer  
It's just a deadbeat summer

Deadbeat summer  
It's just a deadbeat summer  
Deadbeat summer  
It's just a deadbeat summer
