No money to keep ya goin',
Notin' gonna get me down!
Don't worry about nuthin,
Nobody's gonna push me around!
Young women, I love them,
Don't matter if they're black or white!
And I'm thinkin' 'bout you, baby,
And what we're gonna do tonight!

Get it hot!
I've got the junction, you've got the spot!
Get it hot!
You don't want a little, gonna give you a lot!
Get it hot!
Your daddy said someday, I'm gonna get get shot!
Get it hot!
Here I come, baby, ready or not!

Country girl, big city,
Baby, let me show you around!
Feelin' good, feelin' pretty,
Baby, we can go downtown!
Good livin', good lovin',
It's all I ever wanna do!
Sun City, moon risin',
I wanna make a mess of you!

Get it hot!
I've got the junction, you've got the spot!
Get it hot!
You don't want a little, gonna give you a lot!
Get it hot!
Someday, baby, I'm gonna get get shot!
Get it hot!
Here I come, baby, ready or not!

SOLO

Your mommy, you're daddy,
Told ya 'bout the birds and the bees!
Mouth drippin' wild honey,

Goin' down around your knees!
You got it and I want it,
We can make a fair exchange!
One body, one dollar,
And maybe you can keep the change!

Get it hot!
I've got the junction, you've got the spot!
Get it hot!
Gonna give you a little, gonna give you a lot!
Get it hot!
Someday, I'm gonna get get shot!
Get it hot!
Well, here I come, baby, ready or not!
