Saw you in the front row  
Moving to the beat  
(Just movin' and groovin')  
Killed me when I saw  
The wet patch on your seat  
(Wasn't Coca Cola)  
Oh baby  
I hope you liked the show  
When the band said good night  
I had to say hello  
CHORUS:  
Little lover, I can't get you off my mind (no)  
Little lover, I've been trying hard to find  
Someone like you  
Oh baby  
You sure looked sweet  
(Cruisin')  
A leg either side  
Of my motorcycle seat  
(Just oozin')  
Could have been a nightmare  
Could have been a dream  
But on my way home, baby  
I thought I heard you scream  
Little lover, I can't get you off my mind  
Little Lover, I've been trying hard to find  
Someone to give me the things that I need, ow!  
You had my picture  
On your bedroom wall  
(Next to Gary Glitter)  
I was standing on the stage  
Playing rock 'n' roll  
(I was a guitar picker)  
Never had a record  
Never had a hit  
Oh baby  
You didn't mind a bit  
CHORUS  
Baby I know you're a -  
Little lover
