Highball women that are hot to touch  
Legs do the talkin' spellin' out lust  
See the Sugar Daddies with a sweet tooth and a smile  
See what's hangin' off him like a want'n child  
That's where you'll find me standing proud  
CHORUS:  
Playing with girls gonna get you hot  
Playing with guns gonna get you shot  
Playing with fire gonna heat you up  
Playing with me you're gonna get the lot  
Bring on the showgirls and the debutantes  
Late-night waitress in a restaurant  
Headin' for the clubs and bars with the flashin' lights  
Lookin' for the good-time girls in their black nylon  
tights  
Over the barrel bottoms-up  
REPEAT CHORUS  
Ooh river run dry  
Yeah playing with fire  
Ooh wild sweet child  
Playing with girls  
Playing with girls  
I like a tall girl, but I'll take 'em small  
I want 'em all up front I like 'em all  
I wanna see 'em strut their stuff  
Lose their social grace  
You play your cards right and you'll deal yourself an  
ace  
That's where you'll find me standing proud  
Playing with girls
