Hello baby gimme your hand
Check out the high spots the lay of the land
You don't need a rocket or a big limousine
Come on over baby and I'll make you obscene

Need a little lovin' in a big limousine
Oooh, come on over baby and I'll make you obscene

I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City

All over the city and all of the dives
Don't mess with this place, it'll eat you alive
Got a lip smackin' honey to suck off the jam
I'm on top of the world ma, ready to slam

I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City

Runnin' all over like a jumpin' bean
Take a look at that thing in the tight assed jeans
Comin' your way, now, you might be in luck
Don't you fret boys, she's ready to buck

I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City
I feel safe in New York City

???????

New York

New York

New York
I feel safe in a cage in New York City
??????
