Old love eroded from time  
You'll remember me soon  
Last stars, I follow them nowhere  
They follow me too

Suns irrupt sun irrupt suns irrupt  
Suns irrupt sun irrupt suns irrupt  
And I wake up and I wake up and I wake up  
I wake up, I wake up, I wake up

Bloodlines erased from design  
Before there was you  
When you were swallowed in earth  
I slept in a womb

Suns irrupt sun irrupt suns irrupt  
Suns irrupt sun irrupt suns irrupt  
And I wake up and I wake up and I wake up  
I wake up, I wake up, I wake up

Suns irrupt sun irrupt suns irrupt  
Suns irrupt sun irrupt suns irrupt  
And I wake up and I wake up and I wake up  
I wake up, I wake up, I wake up  
[x2]

Lost and it had to happen sometime  
Gone but I'm waiting to be someone  
[repeated]

(Old stars, I follow them nowhere they follow me too  
Old stars, I follow them nowhere they follow me too)
