Yeah, yeah, yeah
Bottles on the floor
Rumors spreadin' 'round [Room is spinnin' 'round]
You ask for more
???? by the ground [Me, I'm [by the ground] 'bout to
drown]]
Tryin' to find the light
Searchin' for the switch
Might as well be a dead man
Lyn' little bitch [Lyn' in a ditch]
???? my eyes [Treachurous roadmaps cross]
The way I feel ???? [complete surprise]
???? in [[As to why?] ask you out] just to suck you in]
Now I'm bein' sucked on... Oh, it's a sin!
Promise you everything
Down on my bended knees
Devil ???? [and the old black jack | don't know jack]
Put a spell on me
Feels like a touch
A touch too much
Feels like a touch
A touch too much
???????? [Even this day]
Telephone way [telephone ring]
She said she's always on [she said she's all alone]
Wanna prove you're a man
How could I say no?
I was up and on the way
I know the ???? [I know the ballgame | tomorrow,
babe]
She wanted me [she wanted to play]
Oh you woman
She was ??? [in control]
Prove my body
Made a mess of my soul
CHORUS:
You never know what happened to me
Made me as happy as a man can be
I had a touch
A touch too much
She had a touch

A touch too much
I'm makin' me happy
I'm makin' me sad
She's made me everything I ever had
She had a touch
A touch too much
CHORUS
She had a touch, a touch too much x6
