Out of my way Im running high
Take your chance with me and I'll give it a try
Aint no woman in the world I know
Cause I aint looking for (an overflow?)
Oh baby I aint got much
Resistance to your touch
Take off the high heels, let down your hair
Paradise aint far from there

I wanna walk all over you
I wanna walk all over you
Do all the things you want me to, babe
I wanna walk all over you

Reflections on the bedroom wall
And there you thought you'd see it all
Were rising for the life to see
Youre looking so good under me

Im gonna walk all over you
Im gonna walk all over you
Do all the things you want me to do to you
Im gonna walk all over you

????
So get off those ? ? ? ? , Im gonna steal the show
???? turn off the light
Tonight is gonna be the night

Im gonna walk all over you
Im gonna walk all over you
Do everything you want me to
Im gonna walk all over you
