[Verse 1]

Wherever you found it,
It's none of my business
Now, wherever you go, go, go
It's not my concern
But for a second, your attention
Just belonged to me
And it passed so fast
Which is scratchin' off my cool

I'm not broken-hearted,
I'm just kind of pissed off

[Chorus]

'Cause, Allie I was so good back then
But I wonder if I'd be so good if I saw you again
Listen, miss, you've got me
You shoulda taught me such naughty things
(You shoulda taught me such naughty things)
You coulda taught me such naughty things

[Verse 2]

You sang to me (in a whisper, a capella)
Cross-legged on Andrew's bed
And I, drunk beyond my fifteen years,
Wished to be anywhere else instead
'Cause I was still terrified of you
And, oh, I was too scared to dare to do
So I slid, unsprung, off the mattress

And crumpled to the floor, and the sad fact is

You said you were protected.
I thought you meant you had a gun.

[Chorus]

'Cause, Allie I was so good back then
But I wonder if I'd be so good if I saw you again
Listen, miss, you've got me
You shoulda taught me such naughty things
(You shoulda taught me such naughty things)
You coulda taught me such naughty things

[Guitar Solo]

(Huh!)

Allie I was so good-

But I wonder, but I wonder, but I wonder

But I wonder, if I'd be so good-

(You shoulda taught me such naughty things)

Oh, you coulda taught me such naughty things

[Chorus]

Allie I was so good back then

But I wonder if I'd be so good if I saw you again

Listen, miss, you've got me

You shoulda taught me such naughty things

(Tonight we're going to do naughty things)

You shoulda taught me such naughty things, yeah
