Cover me, cover me
Spread your precious love all over me
Oh can't you see the need in me
Oh cover me, cover me

Hide me, hide me
Where no other love can find me
Oh I'm feeling cold, I need you so
Oh cover me, cover me

Girl, my love for you gets stronger everyday
Oh, temptation might be waiting round the way
When I'm lost and I get led astray
Find me, find me
Can't stop the little tear that blinds me
Oh darling, I don't want to lose you
Oh find me

Stay with me, stay with me
Baby, make it all the way with me
Oh everyday and every way
Stay with me, stay with me

Cover me, cover me
Spread your precious love all over me
Oh can't you see the need in me
Oh cover me, cover me
(Repeat to fade)
