You and I get along famously I need you and you need me Staring from the cover of a magazine Selling our souls for the highest fee

And I love you Yes, I'll love you if the price is right And I lust you Yes, I'll lust you if the price is right

You and I carry on strenuously Carrying the burden of publicity Straight to another inevitably Sell photos of the newborn for the highest fee

And I curse you Yes, I'll curse you if the price is right But I love you Yes, I'll love you if the price is right

And I love you (You and I get along famously) Yes, I'll love you if the price is right And I lust you (You and I get along famously) Yes, I'll lust you if the price is right And I curse you (You and I get along famously) Yes, I'll curse you if the price is right But I love you (You and I get along famously) Yes, I'll love you if the price is right
