Oh raquel
You really got the power over me
Oh raquel
Your silhouette's an hourglass indeed
I saw you as a moviestar
And now you're riding in my car

Oh raquel
You fill me with inertia, yes you do
Oh raquel
I know this when I touch you, on a balloon
Your daddy came from bolivia
Your irish mother gave you star
Shine on

Oh raquel
Born in north chicago, long ago
Oh raquel
California taught you all you know
To act as though you didn't care
To paint your eyes and brush your hair

Oh raquel, oh raquel (2x)

Oh raquel (you really got the power)
(Repeat to end)
