Ooh damn, it's so hot in here (ooh)
Tell you what, hand me that wrench eh-he-he-he-he

Sweat shop, sweat shop
Take a glimpse into my sweat shop
(4x)

Working on the scene
Take a glimpse into my sweat shop
Dressing up the scene
Take a glimpse into my sweat shop
You're the beauty queen
Take a glimpse into my sweat shop
Meaning of the screen
Take a glimpse into my sweat shop

Sweat shop, sweat shop
Take a glimpse into my sweat shop
(2x)

Sweat is in the air
Take a glimpse into my sweat shop
Everything in there
Take a glimpse into my sweat shop
(Sweat shop)

(Aah, ooh) (2x)
The factory contains me, and you
Producin' variety of drip drops, ooh baby
I'm so hot I'm about to faint
That's when you drive it even further into me and spank
Ooh ahh, ooh aah, lala papa say mama
Touch me, tease me, want me, need me
It's getting so intense I can hardly breathe in
You feeling that
Now be real nice when it comes to the pussycat
Get it wet and make it grow
I can feel you hear me moan
Looking forward to explode, climax

Sweat shop, sweat shop
Take a glimpse into my sweat shop

(4x)

All production lines
Take a glimpse into my sweat shop
Fathers took his time
Take a glimpse into my sweat shop
No air conditioning
Take a glimpse into my sweat shop
Boiling to the brim
Take a glimpse into my sweat shop
Capital moves
Take a glimpse into my sweat shop
To seize the grooves
Take a glimpse into my sweat shop
Clothing, whose?
Take a glimpse into my sweat shop
Let the management choose
Take a glimpse into my sweat shop

I got you good boy
So now you can give me some more game
The smell of sex is in the air from doing what we please
You on it, I'm on it
Making love between machines
The rhythm of how your body meets me me me ooh
wee
It's hot as hell in here but who cares
I can tell you're having a good time from the way you
bite your lip
The scratches on my back, ouch
But we can go all out
Showing each other what our sex is like, right out
Get comfortable
Hey supervisor, I promise to behave when we're
through
Feels like the moment I can't wait for some more of you
precious
Mmm, cooking, mmm, yum, tasty
Damn baby, you turn me on
Right there, ooh shit
I'm feeling the come
Lash out and it feels good (it feels good)
Sweaty and stinky, yeah
My sweat shop

Uh, tell you what
Mmm, if you need any jewels, eh-he-he-he
I'll hand 'em to you
It's getting hot in here
Ooh, it's getting hot in here
Ooh, it's getting real hot in here
