Betrayal, I have been wronged by this wretched planet.
it will be no more. I will crush the hope of prosperity and
disembowel the remains of life. from the end of the
earth to the depths of the sea, my name will be heard. I
am the earthquake that destroys your city and the
plague that consumes your world. I'm what makes your
tremble; I am the definition of fear. SUPERNATURAL, a
revelation has straightened this tangled path,
SUPERNATURAL. pay eternally the price of defying
Zeus almighty. I will crush the hope of prosperity and
disembowel the remains of life. this is a tale of
tyranny... and I am the tyrant. I am the face you dare
not wish to see. FOR I am ETERNAL, I am ETERNAL. pay
eternally the price of defying Zeus almighty. I am
ETERNAL.
