Stepped into the endless fire  
Acquired the demon of desire  
The observer points his hand on you  
Projects your fate through...

Perdition  
Perdition's in the air  
You search for entrance to the fair  
You have awakened it Beware  
Perdition

Walking restless though your life  
Despair has been your loyal wife  
The haunting's clearly up on you  
Protects what's been abused

Perdition  
Perdition's in the air  
You search for entrance to the fair  
You have awakened it Beware  
Perdition

Felt the thrill  
Met conditions to reach to a deal  
Sudden kill  
Blind to see  
Promises like a drop fell to sea  
Let it be

Soundless voice  
I feel the oncoming death, awful noise  
Much rejoice  
Set it free  
Got to end that unbreakable spree  
Search of me

Perdition  
Perdition's in the air  
You search for entrance to the fair  
You have awakened it beware  
Perdition
