I said for a reason about what you do. I said for a
reason why I'm confused about you.
Saying shit, yeah you don't want me. Then saying bitch,
I'mma turn on.
Your contradicting yourself babe, contradicting. Say
one thing then fuck around doing the opposite.
Well fuck you cunt, I know your something special but
you know it good and you're using it to your advantage.
Think you're clever huh? Or pure doing what you want?
Do you have any feelings or care for those who do?
I know you do but not always like to show it. I can't tell
anyone though, we are now friends.
I thought we kinda were, and thought we'd always be.
Clearly we are on the wrong page, when the big
headed one decided, she wanted more with him.
Something along with love.
Something all touchy touch.
Something to do with the lips clashing before.
But HA! He were wrong.

La la la la la
I don't wanna be with you
La la la la la
Neither do I

I want a nice friendship, and if this odd lust continues, I
might wanna fuck you wonderful.
Or play around freely.
Maybe if you didn't ask me "Why does this always
happen?"
I may have moved on but you're so amazing I'm still
bleedin' thinking.

I've worried you have I?
WHY IS THAT?
You've missed me eh?
WHY IS THAT?
Your hands are on me..
WHY THE FUCK IS THAT?!

And you're rubbing your nose on mine in the cute way.
Trying to act sweet.

Pulling me in for the kill, you pulled me in but you killed me last month.

Now I can't stop thinking about you. Do I take revenge or won't you care?

Basically you say I'm just attractive but is it you who wants more?

La la la la la
I don't wanna relationship
La la la la la
Neither do I

I want you.
But I don't want a relationship.
I want to own you.
But not to be own-owned.

I said for a reason about what you do. I said for a reason why I'm confused about you.
I said for a reason about what you do. I said for a reason why I'm confused about you.
I said for a reason about what you do. I said for a reason why I'M CONFUSED ABOUT YOU.
I SAID FOR A REASON ABOUT WHAT YOU DO! I SAID FOR A REASON WHY I'M CONFUSED ABOUT YOU!
CONFUSED ABOUT YOUU!

Yeah sure thing you're pretty hot, but simpleness ain't what you got.

I had to ask earlier how do you tell when you're falling in love?
Response was well if you get butterflies it's a start.
Yeah I get that pretty trash but it's a buzz not something heart ache hard.
Hate being called sugar sweetie baby sugar? I hate the fact you're a faggot!
Not literally but you know what I mean.
I'm not being insulting I'm just simply keen.
To know what you want.
You're a lying cunt, the things you've said to me.
Happily mixed up set-up emotions, I hate you cause I want you.
And you're so hard to fucking get.

Oh Woaaah woaaah.

La la la la la
I don't wanna get with you
La la la la la

I DON'T WANNA GET WITH YOU EITHER!
