Just
Ellegantly
Fierce
Fantastic
Really
Excellent
Exceptional

That's Jeffree

V1:
Pink lips, pink hair
Yes you wanna just stair
At the fiercesome creature baby
'Cause their beautys so rare
I don't personally know him
But I know he's fucking wow
I've heard every song and bitch I still have no doubt

That they are the best
Oh everyone wants a taste
Just because they are the best
I love him yeah

Chorus:
This diamonds gonna go far
'Cause it's Jeffree Fucking Star
Bow to him now sugar, bow to him now
The sequins he's having for his breakfast
Yeah they are getting far
'Cause it's Jeffree Fucking Star
Bow to him sugar, bow to him now

V2:
His cupcakes taste like violence
But then his eyes like glitter
So pretty as he simply shimmers
I'd love to look like him, but then it would be unfair
He deserves all the credit for being so wow and unique

They are the best

No way about it or test
Face, hair, body & make-up all the best

Chorus:

This diamonds gonna go far
'Cause it's Jeffree Fucking Star
Bow to him now sugar, bow to him now
The sequins he's having for his breakfast
Yeah they are getting far
'Cause it's Jeffree Fucking Star
Bow to him sugar, bow to him now

Bridge:

Ellagently, looking fierce and fantastic
Really excellent & exceptional
I wanna meet him again
But he don't know who I am PULL SAD FACE
I wanna meet him again
To say "Ooh god dam wow".
I wanna meet him again
But he don't know who I am PULL SAD FACE
I wanna meet him again
To say "Ooh god dam wow".

Chorus:

This diamonds gonna go far
'Cause it's Jeffree Fucking Star
Bow to him now sugar, bow to him now
The sequins he's having for his breakfast
Yeah they are getting far
'Cause it's Jeffree Fucking Star
Bow to him sugar, bow to him now
